About Varmora

Varmora Granito Pvt. Ltd. came into being with a clear vision - to become a global leader in the world of ceramics in span of two decades, our futuristic group has grown by leaps and bounds into a nationwide conglomerate manufacturing quality ceramic, porcelain and vitrified tiles.

Varmora sources from popular international organizations like SACMI, Italy and Spain. What had started as a small plant in 1994 is now home to Italian machinery capable of sustained production quality and strength. Spearheaded by visionary, Mr. Bhavesh Varmora, our multi-million business has a vast network of more than 5000 retail outlets and over 700 dealers, we also run around 11 branches with more than 1200 professionals across the country.
